

# A Mysterious Visitor from Space

One (**adjective**) night, (**child's name**) was (**verb ending in -ing**) in the backyard when (**he/she**) saw a(n) (**adjective**) light in the sky. It got bigger and bigger until a(n) (**adjective**) spaceship landed right next to the (**noun**)!

Out of the spaceship came a(n) (**adjective**) alien with (**number**) (**plural body part**) and a(n) (**color**) (**body part**). The alien introduced itself as (**funny alien name**) from the planet (**made-up planet name**).

(**Funny alien name**) was on a mission to learn about (**noun**). But, (**he/she**) needed (**child's name**)'s help because (**he/she**) didn't understand (**noun**) or how to (**verb**).

So, (**child's name**) took (**funny alien name**) on a(n) (**adjective**) tour of Earth. They (**verb ending in -ed**) in the (**place**), (**verb ending in -ed**) at a(n) (**place**), and even (**verb ending in -ed**) a(n) (**adjective**) (**noun**).

To say thank you, (**funny alien name**) gave (**child's name**) a(n) (**adjective**) gift from (**his/her**) planet: a(n) (**adjective**) (**object**) that could (**verb**).

With a wave of (**his/her**) (**body part**), (**funny alien name**) said goodbye and flew back into the (**adjective**) sky. But (**child's name**) knew that (**he/she**) would always have a(n) (**adjective**) friend in the far-off planet of (**made-up planet name**).
